

**DesignTalk**  
**@Sekeping Victoria**  
**4th July 2015**  
**1.30 pm - 6.30 pm**

Prominent and established Malaysian Architects and Designers are sharing their design lives with us. These architects and designers are from different generations, have distinctive design approaches and their works vary from small to big scale... with one thing in common. A life time of design and passion to share with us. The talks promise to be an afternoon of learning, inspiration, and exchange of ideas. They reflect the present design scene in Malaysia and current issues and challenges that architects and designers face.

 <b>David Tan: Ministry of Design</b> David Tan has more than a decade of global work experience in architecture design and master planning of various scales and typologies. He has worked with several leading architectural firms including renowned TR Hamzah & Yeang, KL, and Foster & Partners, London. He currently is a partner at Ministry of Design.	 <b>Wendy Khaw &amp; Greg Dall: Pentago</b> Greg is a graduate of the University of Melbourne, Australia and founded Pentago in 1991. Described as passionately committed, Greg is hands-on when it comes to his work and is hell-bent on unlocking the secrets of good, practical design in a liveable environment. Wendy was born in Penang, and graduated from RMIT, Australia with a degree in landscape architecture. she joined Pentago as a landscape architect in 1992, and eventually, Wendy rose to be one of its principal directors, and is known for her broad knowledge in the world of landscape.	 <b>Ridzwa Fathan: City Lab Studio</b> Ridzwa Fathan was trained under Hani Rashid at Colombia University and later joined Asymptote architecture, New York. He was formerly a Design Director at TR Hamzah & Yeang, KL, and now running his own design studio: City Lab Studio.	 <b>Seksan Ng: Seksan Design*</b> Seksan is trained as an Engineer at the University of Canterbury, Christchurch, New Zealand. He did a post graduate in landscape architecture at Lincoln University, Canterbury, New Zealand. After working for Belt Collins in Singapore, Seksan set up his own firm: Seksan Design in Kuala Lumpur, Malaysia.	 <b>Jeffrey Lim: studio 25</b> Jeffrey Lim is a graphic designer by training. He runs studio 25, a design studio focused on graphic design, photography and bicycles. An avid cyclist, he shares his passion for bicycles through Village Bicycles, a movement in support of local and communal cycling. He is the person behind the Kuala Lumpur bicycle map project, a community-built map project to draw out different cycling routes within KL.
