

TRAINER PROFILE

SURESH VEERASAMY

PRINCIPLE TRAINER - HSSE

Passionate HSSE Trainer who continuously strives to inspire and unlock safety leadership at all levels.

***Don't
Assume,
Be
Assured.***

Competent HSSE professional with over 27 years of experience in strategic roles in the Oil & Gas, Chemical, Construction and Manufacturing Industries; with extensive operation, projects, turnarounds and HSSE training experiences. Previously held key HSSE leadership / Senior Manager positions both internationally and locally (Shell International, Shell Malaysia, Eastman Chemicals, Hunstman Tioxide, General Electric Company, Venator, MSCI etc.), leading to improved HSSE performance and revenue growth.

Extensive expertise in designing and building Safety Culture, HSSE Risk Management (Process Safety & Personal Safety), HSSE Operationalization, Conducting HSSE Trainings (Certified Reflective Learning Facilitator - first of a kind in Malaysia) and in providing HSSE Oversight & Solutions to the business.

Commendable track record in effectively motivating, training and inspiring diverse and cross-cultural teams. Successfully conducted trainings across countries that include United Kingdom, United States, Qatar, United Arab Emirates, Iraq, Egypt, China, India, Singapore, Thailand, Brunei and Malaysia.

Versatile and adaptable Trainer with proven ability to share, engage and connect well with participants.
